The history of Idaho is an examination of the human history and social activity within the state of Idaho, one of the United States of America located in the Pacific Northwest area near the west coast of the United States and Canada. Other associated areas include southern Alaska, all of British Columbia, Washington, Oregon, western Montana and northern California and Nevada

History of Idaho - Wikipedia

The creation of new states and territories in India is a power reserved solely for the Parliament of India. Parliament can do so by announcing new states, separating territory from an existing state or by merging two or more states or parts thereof. In addition to the existing twenty nine states and seven union territories some new states and territories of India have been proposed to be ...

Proposed states and territories of India - Wikipedia

Hunting Wild Game on the Prairie 01/18/2019. As they moved out onto the prairies, many European and American settlers were astonished by the abundance of game.
