Oxford Medicine

The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as far back as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris.

The Oxford Handbook of Positive Psychology studies the burgeoning field of positive psychology, which, in recent years, has transcended academia to capture the imagination of the general public. The book provides a roadmap for the psychology needed by the majority of the population—those who don't need treatment, but want to achieve the lives to which they aspire.

Oxford Handbook of Positive Psychology - Oxford Handbooks

This collection of forty original essays reflects on the history of adaptation studies, surveys the current state of the field, and maps out possible futures that mobilize its unparalleled ability to bring together theorists and practitioners in different modes of discourse.

The University Regulations form a comprehensive framework for learning, teaching and assessment, and other aspects of the learning experience, setting out the regulations, policies and procedures that all staff and students must abide by.

Regulations - Oxford Brookes University

A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field.(It is often called a style sheet, though that term has other meanings.). A style guide establishes and enforces style to improve communication.To do that, it ensures consistency within a document and across multiple ...
