The Bloodlines. Color code: red = bad choice, orange = mediocre choice, green = decent choice, blue = great choice, sky blue = the best choice Aberrant Melee (touch attacks!), everything else [Warped] This bloodline comes from an aberration in your ancestry, and therefore obviously makes you look a little strange, though it luckily specifically states that the physical manifestations of your ...

Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.

What's on this page? I'm interested in producing complexity out of simple parts. This page contains bookmarks that I collected while working on games since 1990; I did not write most of the content linked from here. As a result the set of links here reflects the types of things I needed to know: only a few specific topics (not everything related to game programming), general ideas instead ...
