

### **peaceable revolution through education pdf**

By the late 1790s, two clearly different political parties had developed in the United States. The Federalists envisioned an America grounded in the principles of commercial development, including an economic system based on the British model and a strong national government that could control the various states and their powerful ambitions.

"The Puritan Hard Drive is a massive collection of primary Puritan resources, dozens of which are very hard to find anywhere else in the world. Any lover of Puritan literature, which, more than any other body of literature ever written, powerfully expands our minds, convicts our consciences, allures our hearts, and moves our hands, will find a treasure trove here.
