Socrates on Philosophy and Politics: Ancient and Contemporary... losopher is not solely by virtue of his philosophical knowledge a good or even competent ruler; other adjustments and abilities are required. This is a point that will be confirmed when we look at Socrates' initial defense of the philosopher-king paradox.

Socrates on Philosophy and Politics: Ancient and

Politics could be defined as "the question of how to distribute a scarce amount of resources 'justly.'" Which is, essentially, the way in which people obtain, keep, and exercise power. Political philosophy, then, is the study of the theories behind politics. These theories may be used to gain power or to justify its existence.

Introduction to Philosophy/What is Political Philosophy

POLITICAL PHILOSOPHY control property, children, and sex. The institution of private property is a set of rules about who gets to use, modify, trade, and destroy various goods. Political philosophy tries to determine the proper standards by which we can judge institutions as good or bad, just or unjust. Of course, to pass judgment -

see the critique starting on p. 105 of this primer on

Political philosophy, also known as political theory, is the study of topics such as politics, liberty, justice, property, rights, law, and the enforcement of laws by authority: what they are, if they are needed and why, what makes a government legitimate, what rights and freedoms it should protect and why, what form it should take and why ...

Political philosophy - Wikipedia

Political philosophy is the study of fundamental questions about the state, government, politics, liberty, justice and the enforcement of a legal code by authority. It is Ethics applied to a group of people, and discusses how a society should be set up and how one should act within a society.
