The history of alternative medicine refers to the history of a group of diverse medical practices that were collectively promoted as "alternative medicine" beginning in the 1970s, to the collection of individual histories

of members of that group, or to the history of western medical practices that were labeled "irregular practices" by the western medical establishment.

New Age is a term applied to a range of spiritual or religious beliefs and practices that developed in Western nations during the 1970s. Precise scholarly definitions of the New Age differ in their emphasis, largely as a result of its highly eclectic structure. Although analytically often considered to be religious, those involved in it typically prefer the designation of spiritual or Mind ...

March 11, 2010. Susan Reed: I have unique insights into exactly how a reptilian body-snatches a human. He is a combination of a reptilian spirit in control of a human spirit having taken over a human body. His abduction is described, his remarkable abilities and characteristics, such as advanced mental abilities, his cruelty and fundamental malevolence.
