

planetary transits relationships psychological pdf

Astrological transits are one of the main means used in horoscopic astrology to forecast future trends and developments (the other means used is astrological progression, which progresses the horoscope forward in time according to set methods). As its name implies, astrological transits involve a method of interpreting the ongoing movement of the planets as they transit the horoscope.

It has been a while since I published a long article, and I have been working for many hours on this follow-up to the August article, Why I Am No Longer a Lightworker. That piece generated a lot of positive responses, as well as tremendous resistance and scorn from those within the New (c)Age movement who are heavily invested in the illusions of the false light.

David's full speech can be read here.. Feigning offence is a tactic commonly used by those who want to close down a debate. By using this strategy and playing the race card, Kelvin Davis was able to divert attention away from the real issue of Maori privilege onto the question of whether or not KiwiMeter " and TVNZ " is racist.
