Poker is a family of card games that combines gambling, strategy, and skill. All poker variants involve betting as an intrinsic part of play, and determine the winner of each hand according to the combinations of players' cards, at least some of which remain hidden until the end of the hand. Poker games vary in the number of cards dealt, the number of shared or "community" cards, the number of ...

It's funny about this checkbox for print as sometimes the PDF fails to be created when outputting PDFs for print purpose. With 30 documents in a print file and a deadline looming I don't have time to troubleshoot why this is happening, but turning off tagged PDF can sometimes allow the PDF to be created for print.
