Torture (from Latin tortus: to twist, to torment) is the act of deliberately inflicting severe physical or psychological suffering on someone by another as a punishment or in order to fulfill some desire of the torturer or force some action from the victim. Torture, by definition, is a knowing and intentional act; deeds which unknowingly or negligently inflict suffering or pain, without a ...

Mindfulness in Action Techniques These techniques are useful for bring mindfulness into the activities of everyday life. They also are a good place to start with clients who have very low impulse control and distress tolerance.

Introduction to Mindfulness Exercises - Contact

STRICTLY speaking, this isn't a book review. It is a personal endorsement of a selection of books that were written by Bruce Tegner. Tegner, as we pointed out decades ago in our bibliographic study of books on the combat arts, was a much-maligned and by far under appreciated teacher of practical self-defense. Critics are dime-a-dozen second-handers and all of us who do this ...

Physically Based Rendering, Third Edition describes both the mathematical theory behind a modern photorealistic rendering system as well as its practical implementation. A method known as "literate programming" combines human-readable documentation and source code into a single reference that is specifically designed to aid comprehension.
