SIGCHI is the world's largest association of professionals who work in the research and practice of computer-human interaction. What brings us together is a shared understanding that designing useful and usable technology is an interdisciplinary process, and when done properly it has the power to transform persons' lives.

Human rights in the Soviet Union were severely limited and the entire population was mobilized in support of the state ideology and policies. The Union of Soviet Socialist Republics (USSR) was a one-party authoritarian state prior to 1985 where members of the Communist Party held all key positions in the institutions of the state and other organizations.

Human rights in the Soviet Union - Wikipedia

A stay of proceedings is a ruling by the court in civil and criminal procedure, halting further legal process in a trial or other legal proceeding. The court can subsequently lift the stay and resume proceedings based on events taking place after the stay is ordered. However, a stay is sometimes used as a device to postpone proceedings indefinitely.
