I have long called myself a social conservative. I think it is very important to have standards for behaviour (etiquette) and defined roles. The problems with this system is not that it exists, but the lack of flexibility and

the value placed on them.

How a liberal learned to respect conservative thinking

The use of entheogens such as ayahuasca is exemplary of the long and ongoing tradition in many cultures to employ psychoactives as tools that stimulate foundational types of understanding. That such substances are capable of stimulating profoundly transcendent experiences is evident from both the academic literature and anecdotal reports. This article attempts to present these concepts in such ...
