Unaddressed protests may grow and widen into civil resistance, dissent, activism, riots, insurgency, revolts, and political and/or social revolution. Some examples of protests include: Northern Europe in the early 16th century (Protestant Reformation) North America in the 1770s (American Revolution) France in 1789 (French Revolution) The Haymarket riot, 1886, a violent labor protest led by the ...

Protest - Wikipedia

A resistance movement is an organized effort by some portion of the civil population of a country to withstand the legally established government or an occupying power and to disrupt civil order and stability. It may seek to achieve its objectives through either the use of nonviolent resistance (sometimes called civil resistance), or the use of force, whether armed or unarmed.
